I am really looking forward to sharing a lunch with the students and celebrating their good work.

PRINCIPAL'S UPDATE:

Welcome back!

Hi everyone, it seems so long since we last put a Newsletter out! It was in fact in June which is very hard to believe. The newsletter will be changing slightly this term from it's usual format as we have decided to keep the pupil of the week notifications done through Compass, so please keep your eyes out for that.

At last we are getting back to some kind of normality, and I can't tell you how good it feels to see students and staff back on site. Students and staff have been fantastic about staying 'COVIDSafe' – a huge well done to them all.

The students have settled back into their normal classroom routine and it has been so lovely to see the children arrive at school each morning with a smile on their faces. In our next newsletter each area of the school will give you an update about the work they are doing this term.

As a staff we are currently working on our calendar for the term and unfortunately we are not able to hold all of our normal term 4 celebrations. We are busy working on what Grade 6 Graduation will look like this year as it is important to us that we celebrate our grade 6 students and give them the proper send off that they deserve.

The Tulla Shop was a busy place last week with all grades taking time to visit so that the students could spend the huge amount of Tulla Tickets they had earned during remote learning. 30 children spent 50 tickets each to purchase a voucher to have lunch with me! We will be having a special lunch on Thursday this week.

A reminder that if you have not enrolled your child as yet for 2021, you will need to contact the office to request an enrolment form. If you know of any families with enrolments for next year, please remind them to contact the office. I would also ask any families that will be leaving us at the end of the year to also notify the office as soon as possible.

We will begin our Foundation Transition sessions on Wednesday 6th November. As with Grade 6 Graduation, this will also look different this year. We are unable to invite our new students and families on site so we will be arranging for our prep teachers to visit the children at their kindergartens. We will also be holding our Parent Information Session on line and will send out information about this to all families with students enrolled for 2021.

I would like to remind all parents to please make sure that they are reading messages sent through Compass. It is an expectation that we have efficient and clear communication between home and school, and that is a shared responsibility. We acknowledge that this year our Compass communication to parents has increased significantly however this is a primary source of providing information to you all. If you, or other family or parents you know of, aren't getting this Compass communication, please let them know that they can contact the office for Compass set up assistance.

Our School Pledge

Friday afternoon assemblies are always positive occasions where our large gallery of parents witness our students receiving achievement awards, and our student leaders presenting the latest updates and news to our community. At the end of the gathering, students commit to the following school pledge:

As Students of Tullamarine Primary School

We will demonstrate respect, leadership and creativity

We will keep our environment clean

Try to do our best at all times

And make ourselves, teachers and parents proud

Let's make our school a great and safe place to learn.

OSHC with Camp Australia is more than care. We provide enriching experiences every morning and afternoon that are tailored to the likes and needs of your child. Whether it's one of our engaging feature experiences that could see your child doing science experiments, making jewellery, competing in a round robin of sports and more, or one of our dedicated zones where they can explore construction, mindfulness, cooking and creativity – our activities are designed for your child to learn through experience.
