Acceptable User Agreement

ANNEXURE A: Acceptable Use Agreement

Acceptable Use Agreement

****Please read this policy carefully, sign and return the agreement form to your child's classroom teacher. If it is not signed and returned your child will be unable to use the Internet and Digital Technologies at school.**

Tullamarine Primary School believes the teaching of 'Cybersafety' and 'Responsible Online Behaviour' is essential in the lives of students and is best taught in partnership between home and school. Safe and responsible behaviour is explicitly taught at our school and parents/carers are requested to reinforce this behaviour at home. Some online activities are illegal and as such will be reported to police.

Part A - School support for the safe and responsible use of digital technologies

Tullamarine Primary School uses the Internet and digital technologies as teaching and learning tools. We see the Internet and digital technologies as valuable resources but acknowledge they must be used responsibly.

Your child has been asked to agree to use the Internet and digital technologies responsibly at school. Parents/carers should be aware that the nature of the Internet is such that full protection from inappropriate content can never be guaranteed.

At Tullamarine Primary School we:

- Believe that Cyber bullying is when a student or a group of students repeatedly use negative words and or actions against another student online that cause distress and create a risk to their wellbeing.
- Have policies in place that outline the values of the school and expected behaviours when students use digital technology and the Internet and provide a filtered internet service.
- Provide access to the DET's search engine www.education.vic.gov.au/primary which can be used to direct students to websites that have been teacher recommended and reviewed.
- Provide supervision and direction in online activities and when using digital technologies for learning.
- Use clear protocols and procedures to protect students working in online spaces. This includes reviewing the safety and appropriateness of online tools and communities, removing offensive content at earliest opportunity, and other measures.
 - See: Duty of Care and Supervision (<https://www2.education.vic.gov.au/pal/cybersafety/policy>)
- Provide a filtered internet service, at school, to block inappropriate content. We acknowledge, however, that full protection from inappropriate content cannot be guaranteed.
- Use online sites and digital tools that support students' learning.
- Address issues or incidents that have the potential to impact on the wellbeing of our students.
- Have a Cybersafety program at the school which is reinforced across the school working with students to outline and reinforce the expected behaviours.
- Provide support to parents/carers through information evenings and through the document attached to this agreement for parent to keep at home (including language support).
- Refer suspected illegal online acts to the relevant Law Enforcement authority for investigation.
- Support parents and caregivers to understand safe and responsible use of digital technologies and the strategies that can be implemented at home. The following resources provide current information from both the Department of Education & Training and The Children's eSafety Commission:
 - Bullystoppers Parent Interactive Learning Modules (www.education.vic.gov.au/about/programs/bullystoppers/Pages/parentmodules.aspx)
 - eSafetyParent | Office of the Children's eSafety Commissioner (<https://www.esafety.gov.au/education-resources/iparent>)

Part B - Student Agreement

When I use digital technology, I agree to:

- Be a safe, responsible and ethical user whenever and wherever I use it.
- Support others by being respectful in how I communicate with them and never write or participate in cyber bullying (this includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour).

Acceptable User Agreement

- Talk to a teacher if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour.
- Protect my privacy rights and those of other students by not giving out personal details including full names, telephone numbers, addresses and images. I will not upload photos of myself in my school uniform or photos on school grounds.
- Abide by copyright procedures when using content on websites (ask permission to use images, text, audio and video and cite references where necessary).
- Not interfere with network security, the data of another user or attempt to log onto the network with a user-name or password of another student.
- Not reveal my password to anyone except the system administrator or the teacher.

When I bring a mobile device to school I agree to:

- Deposit my device with my classroom teacher before 9.00am and collect it after 3:15pm.
- I only use devices in my classroom when required for learning under the direction of a teacher.

As a responsible citizen and community member, when I use digital devices, I agree to:

- Protect the privacy of others and never post or forward private information about another person using Short Message Service (SMS).
- Seek permission from individuals involved before taking photos, recording sound or videoing them (including teachers).
- Seek appropriate (written) permission from individuals involved before publishing or sending photos, recorded sound or video to anyone else or to any online space.
- Be respectful in the photos I take or video I capture and never use these as a tool for bullying.
- speak to a trusted adult if I see something that makes me feel upset or if I need help.
- speak to a trusted adult if someone is unkind to me or if I know someone else is upset or scared.
- don't deliberately search for something rude or violent.
- turn off or close the screen if I see something I don't like and tell a trusted adult.
- be careful with the equipment I use.

This Acceptable Use Agreement applies during all school activities, both on and off site. I acknowledge and agree to follow these rules and understand that my access and use of digital technologies and Internet will be renegotiated if I do not act responsibly.

After reading this document, please complete the form below.

I have read the Acceptable Use Agreement carefully and understand the significance of the conditions and agree to abide by these conditions. I understand that any breach of these conditions will result in Internet and mobile technology access privileges being suspended or revoked.
